Power Quest, Book Two-S. Douglas Woodward 2012-07-01
In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on

America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of *Power Quest, The Ascendancy of Antichrist in America*, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But *Power Quest: The Ascendancy of Antichrist in America* is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual his-tory that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

A Time Magazine Best Fantasy Book of 2018 L. Penelope's *Song of Blood & Stone* is a treacherous, thrilling, epic fantasy about an outcast drawn into a war between two powerful rulers. The kingdoms of Elsira and Lagrimar have been separated for centuries by the Mantle, a magical veil that has enforced a tremulous peace between the two lands. But now, the Mantle is cracking and the True Father, ruler of Lagrimar and the most powerful Earthsinger in the world, finally sees a way into Elsira to seize power. All Jasminda ever wanted was to live quietly on her farm, away from the prying eyes of those in the nearby town. Branded an outcast by the color of her skin and her gift of Earthsong, she's been shunned all her life and has learned to steer clear from the townsfolk...until a group of

Lagrimari soldiers wander into her valley with an Elsiran spy, believing they are still in Lagrimar. Through Jack, the spy, Jasminda learns that the Mantle is weakening, allowing people to slip through without notice. And even more troubling: Lagrimar is mobilizing, and if no one finds a way to restore the Mantle, it might be too late for Elsira. Their only hope lies in uncovering the secrets of the Queen Who Sleeps and Jasminda's Earthsong is the key to unravel them. The Power in the Book of Psalm-Andrew B. Adeniji 2017-10 It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't

always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

Crystal Healing for the Heart-Nicholas
Pearson 2017-09-12 A gemstone-supported
healing journey guided by your heart • Offers
hands-on exercises and meditations with more
than 60 gemstones and minerals, each a specific
heart-healing stone • Explores the anatomy of
the physical heart and its spiritual symbolism •
Shows how your heart is itself a sensory organ
and coordinator of your energy field • Explains
how to fortify your heart with emotional strength,
reclaim your will, cultivate forgiveness, and
nurture romantic relationships in a meaningful
way The word heart can be used in so many
different ways. We talk about putting our hearts
into our work and wearing our hearts on our
sleeves. There are people who are warmhearted
and those willing to heal your heartache. Each of
us has likely known the pangs of conflict between
the head and heart. For all the trials and pains of
daily living, many people are taught to distance
themselves from their hearts in order to avoid
folly and failure. The truth is that only in
embracing the language of the heart can we truly
know who we are and where we are going.
Focusing on the role of crystals in the journey to
wholeheartedness, Nicholas Pearson reveals how
the heart, as the literal and metaphorical center
of one's being, has the power to lead us to
greater balance, healing, and happiness. He
explores the anatomy of the physical heart and
its spiritual symbolism and shows how its four
chambers are related to the four elements.
Offering hands-on exercises and meditations with
more than 60 gemstones and minerals, each a
specific heart-healing stone, the author explains
how to build a better relationship with the heart
as your spiritual center as well as how to fortify
your heart with emotional strength, reclaim your
will, and cultivate forgiveness. He shows how
your heart is the coordinator of your energy field
and is itself a sensory organ and information
processor, working to enact healing on many
levels. He also looks at the heart chakra and how
the higher heart chakra is evolving. Providing
stone-supported lessons for applying a heart-
centered approach in daily life, from expressing
yourself to nurturing romantic relationships in a
meaningful way, the author shows how the
journey to wholeness and wholeheartedness isn't
always easy, but it cannot be undertaken without

first spending time to hear the soft, gentle voice of your heart and embrace the transformational force of inner alchemy known as love.
